His mercies are new every morning;
great and abundant is the faithfulness of
God.*

*He is stable and we can trust in the Truth of
who He is.*

*The Lord is the portion which I will receive,
He is my share.*

So, I will Hope in Him.

I will wait expectantly for Him.

*God is Good to those who wait
with **hope** and **expectation**.*

He is good!

For those who seek Him,

Inquiring, requiring, desiring to be near...

It is good to hope in the Lord,

It is good to wait upon the Lord...

In quiet and safety we will be redeemed ,

Salvation is his gift,

filled with the light of Mercy

*extended to all who call up on His name, in
Faith.*

His Mercies are new every morning

Get near to His heart;

Be Mercy filled!

Be

Mercy

Filled
