

## CHOCOLATE CHIP COOKIE DOUGH DIP

### INGREDIENTS

- 1 container of Cream Cheese, softened
- ½ stick of butter, softened
- ½ cup of powdered sugar
- ½ cup of brown sugar
- 1 cup of chocolate chips
- ½ cup of pecans or toffee bits
- 1 tsp of vanilla

### DIRECTIONS

Cream butter and cream cheese together. Mix in sugars, one at a time. Add vanilla and stir well. Stir in Chocolate Chips and any extra additions. ( toffee bits, nuts, or whatever yummy thing you can think of.)

Technically, you should ‘chill’ your dip and serve it cold. We, however, can’t wait and usually eat it right away. It is yummy whichever you decide.

Serve with graham crackers, apples, or nilla wafers.

**ENJOY!**
