

Grace Manifesto

Grace is more than letting go of the burdens that break us, more than being forgiven for our sin, more than choosing to believe what is good. It is the enabling gift of God that allows us to boldly receive and to give mercy freely.

I BELIEVE

that grace is offered to all.

I KNOW

that His grace is sufficient

I WANT

that I want to be a philanthropist of grace.

LET US THEREFORE COME BOLDLY UNTO THE THRONE OF
GRACE THAT WE MAY OBTAIN MERCY AND FIND GRACE IN
EVERY TIME OF NEED.
